Seejärel tuleb sisestada enda andmed (*shipping to*), kuhu kuller ümbriku toob.

The screenshot shows a 'Shipping to' modal form. At the top, there's a header with 'ShipNow', 'English', 'Belgium', 'Log in', and 'Sign'. The form fields include: 'First and last name' (text input), a 'Business party' checkbox with an info icon, 'Company (optional)' (text input), 'Country' (dropdown menu showing 'Luxembourg' with a location pin icon), 'Address line 1' (text input), 'Address line 2 (optional)' (text input), 'Address line 3 (optional)' (text input), 'Postal code' (text input showing '1009') and 'City' (text input showing 'LUXEMBOURG'), 'State (optional)' (text input), 'Email address (optional)' (text input), and 'Phone Type' (dropdown menu showing 'Mobile phone'). At the bottom, there are two buttons: 'Clear All' and 'Continue'.

Järgmisel lehel võib ümbriku sisu kirjeldamiseks valida *Certificates* ja ümbrikule järele tulemise juhiseks *front door*.

The screenshot shows the 'Your Own Package' section of a DHL Express form. It includes fields for 'Length (cm)' (32,00), 'Width (cm)' (24,00), 'Height (cm)' (1,00), 'Number of pieces' (1), and 'Weight (kg)' (0,50). Below these, there's a summary: 'Total number of packages' (1) and 'Total weight (kg)' (0,50). A red '+ Add packages' link is also present. The 'Describe the documents in your shipment' section has a dropdown menu for 'Item description' with options: 'Business cards', 'Certificates', 'Charts, graphs', 'Contract', and 'Credit note'. The 'Shipment reference' field is empty. The DHL Express logo is at the bottom left.

Kui makse valik on tehtud, siis kindlasti valida QR-koodi printimise võimalus, et see saatkonnale edastada. **Ilma QR-koodita ei ole võimalik ümbrikut üle anda!**

Seejärel tuleb sooritada makse.

Palun andke saatkonnale teada, kui kuller on tellitud.
